

Child Care Vouchers

Rendcomb College is happy to accept Child Care Vouchers (CCVs) from parents for qualifying activities as defined by the law.

Parents can use vouchers as payment towards any form of care or supervision outside the hours allocated to compulsory education. In practice, this means that Rendcomb College can accept CCVs for:

- The charges for boarding for any pupil up to and including the summer term of the academic year in which the child celebrates their 15th birthday (16th birthday if the child is registered disabled)
- The fees for any child aged three *until 31st March, 31st August or 31st December next* after the child celebrates their 5th birthday. Children within their correct National Curriculum year group can use CCVs for Nursery and some Reception fees, depending on date of birth.
- After school clubs which take place outside the normal school day. After school care and clubs for Junior age pupils would fall into this category.
- Holiday clubs organised and run by Rendcomb.

Child Care Vouchers are provided by employers to employees under certain qualifying conditions, and the voucher amount is free from tax and National Insurance contributions.

Please contact the Finance Office on 01285 832305 for more information.
